Dear Sir:

I have your letter ofdering a copy of the Red Cross medal, together with your enclosure of Six Dollars. Thank you very much.

With regard to the San Francisco half-dollar. I believe this can be secured from the Elder Coin and Curio Company, 21 West 38th Street, New York.

The medal of Roosevelt by Mr. Fraser was, if I remember rightly, designed for the Men's Roosevelt Association, 1 Madison Avenue, New York.

If you are interested in medals, perhaps you would care to accept the invitation to associate yourself with our Society; the annual dues are but Five Dollars, and from time to time medals are issued - the subscription frequently being limited to our members. Should you care to sign and return the accompanying card before Thursday of next week, it can be presented at the next meeting of our Council.

Trusting that this invitation will receive your favorable consideration, I am

Very truly yours,

Secretary

Dear Sir:

In reply to your favour of May 25th, I am sorry to inform you that we cannot supply you with one of the French Lusitania Medals for which you ask.

We have on hand a few large bronze medals issued by the Boston Numismatic Society commemorating the Pilgrim Tercentenary which may be had at Four Dollars. Also, we have a few medals struck in the Philippine Islands commemorating the discovery of the islands by Ferdinand Magellan; these we offer at $1.50 each.

Very truly yours,
